Re: June 30, 2006 Petition to Revive Unintentionally Abandoned Application in Application number 10/788,637 by Jeffrey Lynn Chamberlain (filed 02/27/2004).

Dear Commissioner for Patents:

This is my second inquiry concerning the June 30, 2006 Petition to Revive Unintentionally Abandoned Application in Application number 10/788,637 by Jeffrey Lynn Chamberlain (filed 02/27/2004). Attached please find a copy of my first letter. It has been several months since we filed this Petition and you cashed the check. We have received no response either to the Petition To Revive, or to my first inquiry letter. My client has asked me to inquire as to the fate of the Petition. Is the Petition still pending, or has there been another thing allegedly mailed to me that has never arrived? Thank you for your assistance.

Very truly yours,

Charles R. Sutton, Reg. No. 42,176
